

**MASTER OF ARTS  
PROFESSIONAL DEVELOPMENT**

*The goal of the Master of Arts in Professional Development is to provide a broad based, interdisciplinary curriculum from the fields of business, communication, counseling, human behavior and human resources and training to meet the specific learning goals of the adult student. This degree program provides students with the opportunity of designing an interdisciplinary program of study that brings fields of inquiry together in unique combinations not otherwise offered as a program at the University. Graduates will use their unique program of study in a wide range of careers including management, team leadership, communication, and social sciences.*
