International Student Admission Requirements

Amberton University is authorized under federal and state laws to enroll qualified international students seeking bachelors or master’s degrees. Primarily, Amberton University is designed for the mature, working adult who is an English-speaking citizen of the United States of America. However, Amberton will allow international students (non-U.S. citizens/non-permanent residents) to enroll in academic programs if, after evaluation, it is determined that the University can provide for the special and unique needs often presented by these students.

The international student must submit his/her application for admission, transcripts, and any other supporting documents before admission can be considered. Any international student who requires Immigration and Customs Enforcement (ICE) forms must supply all required documents at the time of requesting admission. Students needing ICE forms may speak with a Student Advisor for further information and guidance. A processing fee is required of all non-U.S. citizens/non-permanent residents at the time of application for admission, regardless of ICE classification.

International students must fulfill the following admission requirements:

1. Be over 21 years of age and fluent (reading, speaking and writing with facility and smoothness) in the English language.

2. Submit Application for Admission along with a $100.00 non-refundable processing fee. These fees are non-refundable. Also each session enrolled, the student will pay a $25.00 fee to cover the costs of INS reports.

3. Submit official transcripts from all colleges and universities attended in the U.S.A. Students subject to ICE regulations must have been in attendance within the past 5 months from the time application for admission is made.
   - Undergraduate students must have a minimum of 30 semester hours of acceptable work from a U.S.A. regionally accredited institution
   - Graduate students must have a bachelor's degree from a U.S.A. regionally accredited institution or the equivalent (see information below for more information).

4. No international student who is on probation at a U.S.A. college/university previously attended will be considered for admission to Amberton University. For undergraduate students, an overall GPA of at least 2.0 is required when seeking admission. The standard for graduate students is an overall GPA of at least 3.0.

5. **Undergraduate F-1 students:** Due to ICE course load requirements and regulations, undergraduate F-1 students will only be permitted to complete one of the following Bachelor degree programs:
Information for Students with F-1 Status

Special Instructions

As an international student (F-1 status), **you are required to notify your previous college that you are transferring out of the former school and transferring to Amberton University (DAL214F00723000)**. In order to maintain status, this must be done PRIOR to the end date on the current I-20 or end date of Optional Practical Training (OPT); otherwise, you may be required to apply for reinstatement (Form I-765) with Immigration and Customs Enforcement (ICE, formerly INS) and pay applicable fees. Reinstatement forms and/or any applicable ICE fees are your responsibility.

Your I-20 from Amberton University will be available during the *third week* of classes assuming the University has all required paperwork, information, and all documents are in order.

Be sure to notify an advisor in Student Services *in writing* of any changes in your name or address, course load, degree program, travel plans, vacation periods, employment status, etc. as quickly as possible.

Full Course of Study Definition

If you are an undergraduate student, **you must enroll in at least 12 hours per session to be considered full-time**. Of the 12 hours counting toward your full course of study, only 3 hours, or one course, may be online or distance-learning*.

If you are a graduate student, you must enroll in at least 6 hours per session to be considered full-time. Of the 6 hours counting toward your full course of study, only 3 hours or one course, may be online or distance-learning*.

Your status with ICE may be adversely affected if you enroll for less than a full course of study.

*Distance Education Restrictions* - Per ICE restrictions, no more than one course or three credits per session through distance education can be counted toward the full course of study requirements for an F-1 student.

Contact Information

F-1 students must meet and abide by these standards in order to be reported as enrolled, making academic progress, and remain in status. It is your responsibility to maintain your status and adhere to ICE timelines.

If you have any questions regarding regulations, please direct them to a Student Advisor in the Student Services Office, at 972-279-6511, ext. 180, or to Advisor@Amberton.edu.
