Amberton University has an agreement with eCampus.com to provide a full-service online bookstore to students. The Amberton University Virtual Bookstore is accessible through the University's website, www.Amberton.edu. There is also a bookstore link in the Student Portal.

The AU Virtual Bookstore provides an easy-to-use interface, online buyback of books, and same day shipment of most titles with an average delivery time of 2-3 days depending on the student's location. Textbook options include new, used, rental, and electronic media as available.

Since no books are sold on campus, students should plan accordingly and purchase their books in advance of the first day of class, allowing time for shipping. Be certain you are enrolled in the course before purchasing your book(s). All textbook information (Title, Author, ISBN, etc.) is available in the course syllabi so students can shop competitively. Most textbooks can be purchased from many different textbook vendors. Some textbooks may only be available on the University's Virtual Bookstore. Students should be careful to obtain the exact resource(s) required for the course.

APA Requirement

COURSE POLICIES:

- 1. Guidelines for Written Assignments.** When you submit written work, please prepare it in word-processor using a format/style consistent with professional business practice. All written assignments must use APA standards (see using APA style in the library resources). The following website will provide some examples of proper APA citations (<http://www.apastyle.org>), but the best source is The Publication Manual of the American Psychological Association (7th edition).
- 2. Late Policy for Assignments is as follows:**
An assignment submitted after the due date will be assessed a **10% grade deduction for the first 2 days late and 5% each day afterward up to 5 days**. If circumstances arise that preclude meeting this course requirement or assignment deadline, you must notify me immediately.

If an assignment is turned in 5 or more days late, the assignment will be accepted, but NO points will be earned. When submitting an assignment, please include your name, **HRT6590**, and the assignment title on the first page of the assignment. *When you upload your assignment to Moodle, it must be able to be opened in order for it to be considered on time.* Assignments not submitted correctly will not be graded and will be returned. Resubmitted assignments must still be in by the due date. Due date credit is not given for assignments that are returned ungraded.

All assignments must be submitted by 11:30 pm (CST) on the dates listed to ensure no penalty points will be applied. The student is responsible if a file is submitted that cannot be read and, therefore, cannot be graded. It is acceptable to submit assignments early, however; grading will be according to the stated schedule for the due dates. No work will be accepted after one week past the due dates.

3. **Extra Credit** – There is no extra credit work in this class.
4. **Academic Resources** – When conducting research for an assignment, the majority of your sources should be the textbooks or peer-reviewed academic journals, such as those found in the university library databases. Internet searches will often take you to non-academic information resources such as Wikipedia.com, Ask.com, Encarta.msn.com, Infoplease.com, etc. Information gathered from these sites may be unreliable and inaccurate since they do not follow the formal oversight of the peer review process. Please avoid using these sites. They will not be permitted in this course and will not count towards fulfilling assignments.
5. **Feedback** – Feedback is provided for graded exercises and assignments within 5-6 days of the due date. Moreover, if you need feedback at any time regarding participation assignments, please ask.
6. **Incompletes** – Amberton University policy states that it is up to an instructor's discretion as to whether he or she grants an "Incomplete" at the end of the course.
7. **Course Contribution** – You are expected to study and learn, provide on-time completion of assignments, and regularly participate in and supply effective contributions to online discussions and activities. Those who demonstrate consistently high quality, professional performance, and who regularly contribute to course activities will earn high grades in this course. As a guideline, you should login to the course and participate in the discussion, at least, two (2) times per week. Please plan on meeting the course requirements schedule. On rare occasions, circumstances beyond your control may result in your missing a course commitment. ***Please contact me in advance of the due dates to discuss your situation.***

8. Plagiarism - Students agree that by taking this course, all required papers may be subject to submission for textual similarity review to TurnItIn.com for the detection of plagiarism. All submitted papers will be included as source documents in the TurnItIn.com reference database solely for the purpose of detecting plagiarism in such papers. Use of TurnItIn.com service is subject to the Usage Policy posted on the TurnItIn.com site. **The maximum Turnitin report cannot exceed 20%.**

Student's Responsibilities

This syllabus contains information, policies, and procedures for a specific course. By enrolling, the student agrees to read, understand, and abide by the policies, rules, regulations, and ethical standards of Amberton University as contained in the current university catalog and schedule of classes.

Attendance Policy:

Regular and punctual class attendance and engagement is expected at Amberton University. In case of an absence, it is the student's responsibility to contact the professor as soon as possible. If a student intends on withdrawing from a course, it is the student's responsibility to follow the university's policy on formally withdrawing from a course. **Ceasing to attend classes does not constitute an official withdrawal.**

Attendance in a lecture course is defined as punctual arrival to, and engagement in, a full lecture session. Attendance in a distance learning course is defined as active participation in the weekly online class sessions. "Active participation" can be defined as: submitting an academic assignment, taking an exam, engaging in an interactive tutorial, participating in an online discussion forum (or chat session), or initiating (or responding to) a communication with a faculty member about an academic assignment or the subject matter of the course. A student not meeting these requirements may be dropped at the discretion of Amberton University.

Plagiarism Policy

Plagiarism is the presentation of someone else's work as though it were your own. If you use another person's words, ideas, or information; or if you use material from an outside source – whether a book, magazine, newspaper, business publication, broadcast, speech, or electronic media – you must acknowledge that source. Plagiarism is a violation of the University's code of student ethical conduct and is one that is taken seriously. Amberton University operates on an honor system; therefore, honesty and integrity are essential characteristics of all who are associated with the institution. All Amberton students are expected to abide by the honor system and maintain academic integrity in all their work. Amberton University and its instructors monitor student work for plagiarism and reserve the right to submit such work to technology-based plagiarism detection services and applications at any time.

Students agree that by taking this course, all required assignments may be subject to submission for a textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism in future papers. Use of Turnitin.com service is subject to the Usage Policy posted on the Turnitin.com website.

Turnitin is a writing improvement and plagiarism prevention tool which uses special algorithms, to compare text-based student submissions to the Turnitin database and other online sources. Turnitin produces a detailed **similarity report** that can be customized and viewed by instructors and students.

Turnitin "Draft Coach" is a Google based add-on to Turnitin which supports students in developing high-quality academic writing; and serves as an integrity coach. Draft Coach, helps address errors and improve the quality of student's writing by highlighting grammar mistakes, identifying incorrectly cited sources, and scanning for similarity across several databases. By providing formative feedback on how to address citation issues, incorrect grammar, and matches with the Turnitin database, Draft Coach provides explanations to help students become more confident writers, capable of producing higher quality work both in academics and in the workplace.

GRADING CRITERIA:

ASSIGNMENTS: Homework assignments will be taken from the article reviews, exercises, case studies, and problems located at the end of each of the chapters.

- Assignment 1 - Due Week 2
- Assignment 2 - Due Week 4
- Assignment 3 - Due Week 6
- Assignment 4 - Due Week 8

GRADUATE RESEARCH PROJECT: There will be a Graduated Research Project for the course. Each graduate student will produce and record a PowerPoint presentation (posted to the class via YouTube). **The student learner is expected to do ample research on a DEI topic from the book (Chapters 1-12) and choose a context (organization, management, etc.) to provide recent and relevant information on both. What are the best practices in your DEI topic?**

ARTICLE REVIEWS: During this session, there will be article reviews as part of the assignments, and each requires a three (3) page written critique of peer-reviewed journal articles related to the reading for the week. There will be an online discussion component for each review that will require the student to share the

research they have reviewed. Detailed instructions for the assignment will be provided in the course. The reviews must follow APA guidelines and written requirements outlined in the syllabus.

DISCUSSION POSTINGS:

Discussion postings are a two-step process. In Step 1 you will be asked to post a response to a discussion question. This may include textbook questions, reviewing video links, conducting internet searches, and/or mini-cases. I am expecting 250 to 400 words in your responses. In Step 2, you will pick two other students' posting and give them feedback. Your job is not to "nitpick" their post. If you disagree, provide scholarly-based feedback. It would be best if you expanded upon the posting content in your response. Be specific in your feedback. I am expecting 75-100 words in each of your responses to other student's postings. Replies to other students' postings are due 5 days after the due date for the Step 1 postings.

Grading of discussion postings will be proportioned as follows:

- 60% - your original posting
- 20% - review of one other posting
- 20% - review of one other posting

Graduate

92 – 100	A
82 – 91	B
72 – 81	C
62 – 71	D
Below 62	F

GRADE NOTIFICATION AND INSTRUCTOR FEEDBACK:

A successful distance learning experience requires a flow of communication between instructor and student throughout the session. Instructor comments are considered essential to the learning process. Therefore, each assignment/exam submitted will be reviewed, graded, and returned to the student promptly, along with the appropriate commentary. Students should carefully review all comments.

Final grades are processed approximately one week after the last day of the session and may be located in the My Grades section of the online registration portal as well as being emailed to the student's Amberton University email. Amberton University staff will not release grades over the phone. University instructors will not leave a message with comments or grades in any type of media that is not secure.

For questions regarding grades after the semester has ended, students should use their university email account and contact the instructor at the faculty email address as provided above in the *Professor Information* area.

Incomplete Grades

An "I" (incomplete grade) is given at the professor's discretion and may be given only when an emergency or illness prevents the student from completing course requirements. Should an "I" be granted, the student has 30 days from the end of the session to meet the conditions of the incomplete. An "I" which is not properly removed within 30 days following the session enrolled will become an "F" grade.

How To Withdraw From a Course

To be official, the class withdrawal must be in writing and signed by the student requesting the withdrawal; no withdrawal is accepted verbally. Please review the "Schedule of Classes" (online or in-print) for procedures for class changes or withdrawals and the refund policy and schedule.
