#### GRADING CRITERIA:

Since all assignments in this course are written assignments, each student is expected to present their material with well-written, coherent, properly structured English appropriate for undergraduate-level course with reference citations included correctly. The thoughts and material presented should be original, well-developed and relevant to the specific topic(s) of the assignment. An assignment that is too brief, minimalist, or sparse will typically not provide an adequate basis for assessing a student's knowledge and research on that particular assignment topic.

The final is 40% of your grade. Each assignment (not including the final) is worth 20%, and discussion questions (DQs) and participation are each worth 10% of your grade (a total of 20%).

#### Undergraduate

90 – 100	A
80 – 89	B
70 – 79	C
60 – 69	D
Below 60	F

#### GRADE NOTIFICATION AND INSTRUCTOR FEEDBACK:

A successful distance learning experience requires a flow of communication between instructor and student throughout the session. Instructor comments are considered essential to the learning process. Therefore, each assignment/exam submitted will be reviewed, graded and returned to the student in a timely manner along with the appropriate commentary. Students should carefully review all comments.

Final grades are mailed approximately one week after the last day of the session to the student's address of record. Amberton University staff will not post or release grades over the phone. University instructors will not leave a message with comments or grades in any type of media that is not secure.

For questions regarding grades after the semester has ended, students should use their University email account and contact the instructor at the faculty email address as provided above in *Professor Information* area.

### ***Incomplete Grades***

An "I" (incomplete grade) is given at the discretion of the professor and may be given only when an emergency or illness prevents the student from completing course requirements. Should an "I" be granted, the student has 30 days from the end of the session to complete the conditions of the incomplete. An "I" which is not properly removed within 30 days following the session enrolled will become an "F" grade.

### ***How To Withdraw From a Course***

To be official, the class withdrawal must be in writing and signed by the student requesting the withdrawal; no withdrawal is accepted verbally. Please review the "Schedule of Classes" (online or in-print) for procedures for class changes or withdrawals and the refund policy and schedule.

### **COURSE DELIVERY METHODOLOGY:**
