Students should carefully review all comments.

Final grades are mailed approximately one week after the last day of the session to the student's address of record. Amberton University staff will not post or release grades over the phone. University instructors will not leave a message with comments or grades in any type of media that is not secure.

For questions regarding grades after the semester has ended, students should use their University email account and contact the instructor at the faculty email address as provided above in *Professor Information* area.
