Use of Turnitin.com service is subject to the Usage Policy posted on the Turnitin.com website.

Turnitin is a writing improvement and plagiarism prevention tool which uses special algorithms, to compare text-based student submissions to the Turnitin database and other online sources. Turnitin "Draft Coach" is a Google based add-on to Turnitin which supports students in developing high-quality academic writing; and serves as an integrity coach. Draft Coach, helps address errors and improve the quality of student's writing by highlighting grammar mistakes, identifying incorrectly cited sources, and scanning for similarity across several databases. ### **GRADING CRITERIA:**

Since all assignments in this course are written assignments, each student is expected to present their material with well-written, coherent, properly structured English appropriate or undergraduate-level course with reference citations included correctly. The thoughts and material presented should be original, well-developed, and relevant to the specific topic(s) of the assignment. An assignment that is too brief, minimalist, or sparse will typically not provide an adequate basis for assessing a student's knowledge and research on that particular assignment topic.

The number of pages specified for each assignment represents the minimum number of pages considered to be acceptable for that assignment. The minimum number of pages does NOT include your title page or your page of references at the end of the assignment. Each assignment should be written in Standard APA style, double spaced, and 12-point font (Times New Roman or Arial). English grammar, spelling, word choice, and usage are a part of your grade. There are two written assignments that are worth a total of 60% (each assignment is worth 30%) of your overall grade. Additionally, participation is worth 20% of your overall grade. On a final note, your final is worth 20% of your grade.

#### **Undergraduate**

90 – 100	A
80 – 89	B
70 – 79	C
60 – 69	D
Below 60	F

### **GRADE NOTIFICATION AND INSTRUCTOR FEEDBACK:**

A successful distance learning experience requires a flow of communication between instructor and student throughout the session. Instructor comments are considered essential to the learning process. Therefore, each assignment/exam submitted will be reviewed, graded, and returned to the student in a timely manner along with the appropriate commentary. Students should carefully review all comments.

Final grades are processed approximately one week after the last day of the session and may be located in the My Grades section of the online registration portal as well as being emailed to the student's Amberton University email. Amberton University staff will not release grades over the phone. University instructors will not leave a message with comments or grades in any type of media that is not secure.

For questions regarding grades after the semester has ended, students should use their University email account and contact the instructor at the faculty email address as provided above in *Professor Information* area.

### ***Incomplete Grades***

An "I" (incomplete grade) is given at the discretion of the professor and may be given only when an emergency or illness prevents the student from completing course requirements. Should an "I" be granted, the student has 30 days from the end of the session to complete the conditions of the incomplete. An "I" which is not properly removed within 30 days following the session enrolled will become an "F" grade.

### ***How To Withdraw From a Course***

To be official, the class withdrawal must be in writing and signed by the student requesting the withdrawal; no withdrawal is accepted verbally. Please review the "Schedule of Classes" (online or in-print) for procedures for class changes or withdrawals and the refund policy and schedule.

### **COURSE DELIVERY METHODOLOGY:**
