The AU Virtual Bookstore provides an easy to use interface, online buyback of books, and same day shipment of most titles with an average delivery time of 2-3 days depending on the student's location. Textbook options include new, used, rental, and electronic media as available.

GRADING CRITERIA:

1. Instructions for 4 assignments. **Please Note: Once enrolled in the course, you will see additional details in the Moodle Document called Assignment Instructions.**

Students are provided (posted) a list of 4 discussion questions, for each assignment, via the Moodle discussion board 4 days prior to the due date. Each of the discussion questions will require you to read, comprehend and

translate in your own words your understanding of information found in the text. You are also expected to treat each of the discussion questions as a short essay by including your thoughts, feelings, views, and perspectives and if possible any examples. You must back up your short answers with content from the readings. College level writing is expected. Each question should be answered in less than 300 words. **You will 'reply' to each of the 4 professors posted questions.**

You will have 3 days after the due date for discussion with classmates before the assignment will be graded. You will be graded according to quality of your own answers and the quality of your discussions with your classmates with respect to their answer to the same question. You must also back up your comments/responses to fellow classmates with content from the text. Plan to have quality discussions with at least 3 classmates for each assignment. Assignments are to be submitted on the due date by 11:59 PM (Central Standard Time). Failure to respond to discussion questions by the due date will result in loss of grade points. Do not send in your assignment answers via email attachment to professor. The purpose of posting in discussion board is to encourage discussion of each others 'answers which creates an environment for further learning and exploration.

Note: See Assignment Instructions in Moodle for additional details and Assignment due dates and times.

Assignment 2 –due week 4
Assignment 3 –due week 7

Students are provided a list of essay questions **via Moodle.** Each of the discussion questions will require you to read, comprehend and translate in your own words the information found in the text.

Test Prep:

The questions are general in nature....focusing on the main areas that we covered in the first half (for midterm) and second half (for final) of the semester. Be sure to study the main theories, approaches and concepts and have a feel for how you would apply them in real life. I like to see that you have a basic understanding and can provide effective help in typical course related counseling situations.

Remember, you only have an hour...I am not looking for a research-like paper, just good sound thoughts and practices based on your readings.

You are also expected to treat each of the discussion questions as an essay by including your thoughts, feelings, views, and perspectives and if possible, any examples. College level writing is expected. Each question should be answered in less than 500 words. Students will send the answers **via Moodle.** An exam submitted after the time allotted will be assessed an appropriate penalty. **Students are expected to take the exams during the designated time window.** Make-up exams will be determined on an individual basis.

GRADE NOTIFICATION AND INSTRUCTOR FEEDBACK:

A successful distance learning experience requires a flow of communication between instructor and student throughout the session. Instructor comments are considered essential to the learning process. Therefore, each assignment/exam submitted will be reviewed, graded and returned to the student in a timely manner along with the appropriate commentary. Students should carefully review all comments.

Final grades are mailed approximately one week after the last day of the session to the student's address of record. Amberton University staff will not post or release grades over the phone. University instructors will not leave a message with comments or grades in any type of media that is not secure.

For questions regarding grades after the semester has ended, students should use their University email account and contact the instructor at the faculty email address as provided above in *Professor Information* area.

Should an "I" be granted, the student has 30 days from the end of the session to complete the conditions of the incomplete. An "I" which is not properly removed within 30 days following the session enrolled will become an "F" grade.
